An AED at school and home.

AED Training at Home.

Family & friends training at home.

Rosa with the AED.

Thank You.

I'd like to thank SADS UK and in particular Anne Jolly for her tireless work in supporting families like ours.

It DOES make a huge difference, initially by just being able ask stupid questions. But more importantly through the AED placement programme that helps to protect thousands of people across the country, even if they don't realise it !

Rosa on holiday in Portugal.

The Transitional Period ?

Any Questions ?
